

CONFERENCE SPONSORSHIP OPPORTUNITIES

NABSE CORPORATE SUPPORT PROTOCOL

NABSE invites corporations, businesses and other for-profit organizations to participate in all NABSE programming. In restructuring its business plan to reflect various levels of support and participation from the corporate and for-profit world, NABSE has developed a two-tier approach: **Corporate Partnership Network (CPN)** and the **NABSE Annual Conference General and Single Event Sponsorship Opportunity**.

CORPORATE PARTNERSHIP NETWORK (CPN)

Over the past decade, NABSE has cultivated and sustained a relationship with selected corporations who have provided some of the top educational resources to meet the programming needs of our membership. Members of the CPN participate with NABSE and its members in Program building, NABSE educational strategies, activities and initiatives for a full year annually. Those corporations interested in CPN levels at \$30,000, \$50,000 and \$75,000 should contact President Marietta English for a CPN prospectus at bwalker@nabse.org or call 202-608-6310.
