To Whom It May Concern,

It is my pleasure to recommend **Timber Day, M.Ed.** for advanced academic and professional opportunities. As Title I Family & Community Engagement Specialist with Racine Unified School District, Timber has demonstrated exceptional leadership, managing district-wide family engagement initiatives, overseeing compliance for multiple schools, and building sustainable community partnerships.

Her ability to connect with families from diverse backgrounds, particularly students of color, aligns with best practices in equity and inclusion. She approaches her work with professionalism, creativity, and a deep commitment to student success. Timber is not only highly skilled in program management but also a mentor to colleagues, consistently raising the standard of excellence across her department.

I am confident that Timber's passion for education and her proven track record of success will make her an asset in any future role she pursues.

Sincerely,

Daryl Burns

Assistant Superintendent
Racine Unified School District
