Greetings from the National Alliance of Black School Educators (NABSE),

We would like to **CONGRATULATE** you on the campus below for being selected as a National Demonstration School for the 52nd Annual NABSE Conference:
- Linda Abril Educational Academy

The conference will be held at the Signia by Hilton Hotel in Atlanta, GA November 20- November 24, 2024. You will be presenting on Friday, November 22nd between 2pm - 4pm and receive an award at the 2024 Awards Banquet on Saturday, November 23rd at 6:30pm. You will receive two tickets for the recipients from Linda Abril Educational Academy. Additional tickets are available for purchase.

The purpose of the National Demonstration Schools Collaborative is to identify exemplary K-12 schools and districts across the nation that serve a diverse student population. One of our major objectives is to share best practices with schools and districts serving similar students to maximize teaching and learning opportunities. As a demonstration school or district, your institution will carry the distinction of being one of a select group of exemplary majority minority schools that all schools across the nation will be eager to emulate.

ACTION ITEM: Please respond to this email no later than 5pm on November 18th if you and your team are already registered for the NABSE Conference and prepared to present on Friday, November 22nd.

If you have any questions, please email me or call me at 281-685-0982.

Sincerely,

NABSE Demonstration Schools Committee
